

Opportunity Title: The Clean Energy Innovator Fellowship program - Candidate

Opportunity Reference Code: DOE-EERE-CLEAN-2022-CANDIDATE

### Organization

U.S. Department of Energy (DOE)

#### Reference Code

DOE-EERE-CLEAN-2022-CANDIDATE

### How to Apply

To apply as a fellow candidate, click on *Apply* at the bottom of this page. If you have any questions about the application, please contact ORISE at <a href="DOE-RPP@orise.orau.gov">DOE-RPP@orise.orau.gov</a> with "Clean Energy Innovator Fellowship" in the subject line. Send questions about the program to <a href="ceif@ee.doe.gov">ceif@ee.doe.gov</a>.

Connect with ORISE...on the GO! Applicants may download the new ORISE GO mobile app in the Apple App Store or Google Play Store and access opportunities on the Zintellect platform, stay engaged, connected, and informed during your ORISE experience and beyond! The app is for both applicants and for use after one is appointed.

### **Application Deadline**

5/6/2022 5:00:00 PM Eastern Time Zone

## Description

The U.S. Department of Energy's Office of Energy Efficiency and Renewable Energy (EERE) is seeking **candidates** with a background and interest in the clean energy transition to participate in projects at eligible host institutions at locations across the United States, on site, for up to two years.

### **Eligible Host Institutions**

- · Electric public utility commissions
- Utilities (municipally-owned electric and electric cooperatives)
- Grid operators (e.g., Independent Systems Operators and Regional Transmission Organizations)

### **Fellowship Details**

Fellows receive a stipend, health insurance, and a generous allowance for education and professional development. The fellowship appointment is for one-year, renewable for a second year, with opportunities for peer-to-peer learning provided for each cohort. Stipends are determined by their degree level and years of relevant professional experience and begin at \$40k for a Bachelor's degree, at \$55k for a Master's degree, and at \$70k for a Doctoral degree.

# **Nature of Fellowship Appointment**

The Clean Energy Innovator Fellowship program is sponsored by the U.S. Department of Energy (DOE) through its Office of Energy Efficiency and Renewable Energy (EERE). The program is administered by the Oak Ridge Institute for Science and Education (ORISE). During the appointment, the Innovator will be considered a participant and will not enter into an employee/employer relationship with ORISE, Oak Ridge Associated Universities, DOE, the host institution, or any other office or agency.

### Qualifications

The fellowship is open to recent Bachelor's, Master's, and Doctoral graduates in fields relevant to electricity generation, transmission, or distribution. Fellowship candidates must have an interest in the application of renewable energy, energy efficiency, and sustainable transportation technologies and policies. If more than five years since receipt of degree, the applicant must have an academic background and experience in a relevant field and must be seeking to gain new knowledge/experience in order to expand career opportunities or to advance professionally.

### A Complete Candidate Application Consists of:

- 1. Responses to short answer questions
- 2. Academic Records Submit the most recent transcript. Unofficial transcripts or copies of the student academic records printed by the applicant or by academic advisors from internal institutional systems may be submitted. If you are completing your degree, you must provide proof of the degree completion prior to the start of the fellowship.
- 3. Current Resume/CV (two-page limit)
- 4. One Recommendation The recommendation should address a candidate's academic record and potential for success as a fellow, as indicated by communication, motivation, and collaboration skills, and must be submitted through Zintellect by Friday, May 6, 2022, 5:00 pm Eastern Time Zone.

NOTE: Documents must have all social security numbers, student identification numbers, and/or dates of birth removed (blanked out, blackened out, made illegible, etc.) prior to
