For a tutorial on how to build a successful DHS HS-STEM application, please read <http://www.orau.gov/dhseducation/internships/files/Building%20a%20Success>

If you have questions, send an email message to DHSed@orau.org. Please include the program name (DHS HS-STEM) in the subject of your email.

Application Deadline 12/20/2015 11:59:00 PM Eastern Time Zone

Description The U.S. Department of Homeland Security (DHS) Science and Technology Directorate Office of University Programs sponsors a 10-week summer internship program for undergraduate and graduate students majoring in homeland security related science, technology, engineering and mathematics (HS-STEM) disciplines. The program provides students with quality research experiences at [federal research facilities located across the country](#) and allows students the opportunity to establish connections with DHS professionals. It is open to students in a broad spectrum of HS-STEM Disciplines and DHS mission-relevant [Research Areas](#).

Undergraduate students receive a \$6,000 stipend plus travel expenses.

Graduate students receive a \$7,000 stipend plus travel expenses.

For detailed program information, please visit <http://www.orau.gov/dhseducation/internships/>
