

**Opportunity Title:** Joint Science and Technology Institute – High School (JSTI-HS) - JSTI-HS-2023

**Opportunity Reference Code:** JSTI-HS-2023

**Organization** U.S. Department of Defense (DOD)

**Reference Code** JSTI-HS-2023

**How to Apply** A complete application consists of:

- An online application form
- A reference – you will be asked for the name and email of your reference. We will send a link directly to your reference to complete the confidential reference form. Please tell your reference to look for an email from Zintellelect@orau.org. If your references does not find the email, please advise him or her to check their junk or spam folder. You may check your application using your username and password to determine if the reference has been submitted.

**\*IMPORTANT NOTE: On the question asking about your degree, please enter the following on the indicated questions\***

- **Education Status** - enter "In Progress"
- **Degree** - enter "High School Diploma/GED"
- **Institution** - enter the current high school you are attending
- **Dates** - enter the approximate dates you began and graduate high school
- **GPA** - enter your current GPA

**\*If you are homeschooled:** For any question asking for your school name, please enter "Homeschool" or the name of your homeschool organization or coop.

For more information, please reference the FAQ's at <https://orise.orau.gov/jstieast/faq.htm>.

If you have questions, send an email to JSTI@orau.org. Please include "JSTI-HS" in the subject line.

**Application Deadline** 3/31/2023 11:59:00 PM Eastern Time Zone

**Description** The **Joint Science and Technology Institute for Students (JSTI-HS)** is a two-week, fully-funded, residential introductory STEM research program for current high school students in the United States and Department of Defense schools around the world. Students will participate in research projects mentored by Department of Defense research scientists and other subject matter experts. The purpose of the program is to inspire and encourage students to pursue careers in science, technology, engineering, and math (STEM) fields, increase STEM literacy, and expose students to the importance of STEM through hands-on, relevant research.

There are two locations for JSTI-HS. JSTI West will take place at the University of New

**Opportunity Title:** Joint Science and Technology Institute – High School (JSTI-HS) - JSTI-HS-2023

**Opportunity Reference Code:** JSTI-HS-2023

Mexico in Albuquerque, NM from June 10-23, 2023. JSTI East will take place at Towson University in Towson, MD from July 15-28, 2023. Students from areas outside of the United States are eligible for JSTI East only. For more information on the specific locations, visit <https://orise.orau.gov/jsti/>.

The successful applicant(s) will be required to comply with Environmental, Safety, and Health (ES&H) requirements of the hosting facility, including but not limited to, COVID-19 requirements (e.g. facial covering, physical distancing, testing, vaccination).
