

Opportunity Title: Space Science: The Effect of Environmental Factors on Microbial Evolution

Opportunity Reference Code: 0024-NPP-NOV23-ARC-Astrobio

Organization National Aeronautics and Space Administration (NASA)

Reference Code 0024-NPP-NOV23-ARC-Astrobio

Application Deadline 11/1/2023 6:00:59 PM Eastern Time Zone

Description The new field of Astrobiology hopes to apply expertise from diverse fields to questions of the origin, evolution, and ecology of life through the universe. Our laboratory is particularly interested in applicants who wish to apply technical and theoretical skills to questions of microbial evolution. Of particular interest is questions relating to the role of the environment in evolution, including the evolution of organisms that are at the environmental limits for life, ""extremophiles"".

Location:

Ames Research Center
Moffet Field, California

Field of Science:Astrobiology

Advisors:

Lynn Justine Rothschild
