All components of the Team Application must be submitted by February 9, 2024, 11:59 PM, EST, to be considered. Incomplete Team Applications will not be eligible.

**Description** The U.S. Department of Homeland Security (DHS) Summer Research Team (SRT) Program for [Minority Serving Institutions \(MSIs\)](#) is now accepting applications from faculty at Minority Serving Institutions (MSI) interested in participating in a summer research team experience. Selected Faculty will be invited to submit a Team Application including a Research Project Proposal developed in collaboration with a DHS Center researcher and applications from one or two qualified students.

The program seeks to increase and enhance the scientific leadership at MSIs in research areas that support the mission and goals of DHS. This program provides faculty and student research teams with the opportunity to conduct research at the university-based [DHS Centers of Excellence \(DHS Centers\)](#). At the end of the ten-week appointment, faculty collaborate with center to apply for up to \$100,000 in follow-on funding to continue research during the 2024-2025 academic year at the faculty's home academic institution.

This year's participating Centers of Excellence are:
