

Opportunity Title: ORNL Next Generation STEM Internship Program (NGSI) - Summer 2024

Opportunity Reference Code: ORNL-NGSI-2024

Organization: Oak Ridge National Laboratory (ORNL)

Reference Code: ORNL-NGSI-2024

Application Deadline: 2/22/2024 11:59:00 PM Eastern Time Zone

Description: The Next Generation STEM Internship (NGSI) program affords rising high school juniors and seniors and recent graduates in accredited high schools or home school programs in Anderson, Blount, Knox, Loudon, Roane, and Sevier counties the opportunity to participate in STEM or STEM-related projects with research and professional staff at Oak Ridge National Laboratory (ORNL).

Selected applicants will participate beginning June 3 through July 19, 2024. Students are expected to participate 40 hours per week. A maximum of five days (without stipend) may be missed during the appointment period, if necessary, for other commitments.

Diversity is Key

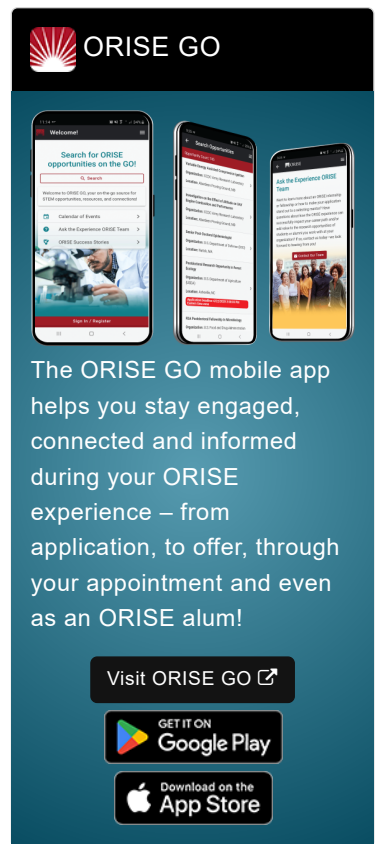

Scientific discovery is a team effort. Researchers, engineers, and technical and business professionals support achievements in science and technology by helping to manage and operate research projects and facilities. We believe the teams required to solve the nation's most pressing scientific challenges are those that combine a wide range of backgrounds and perspectives.

NGSI program benefits include:

- \$500 per week stipend based on 40 hours of participation each week
- The opportunity to learn from world-renowned scientists and engineers
- Optional professional development activities, including workshops, lab tours, lectures, poster sessions, seminars, and networking opportunities

Qualifications: To be eligible, an applicant must meet the following criteria:

- Be a U.S. citizen or legal permanent resident (LPR) at the time of application
- Be a rising high school junior or senior for the 2024-2025 academic year (expected graduation in 2025 or 2026) OR
 - Have graduated high school during the 2022-2023 or 2023-2024 academic calendar and not yet enrolled in a degree-seeking program at a regionally accredited college or university (including accredited community colleges) at the time of application
- Be in good standing at an accredited high school or enrolled in an accredited home school program in Anderson, Blount, Knox, Loudon, Roane, or Sevier county in Tennessee
- Be at least 16 years of age by the time of appointment
- Have a minimum GPA of 3.0/4.0
- Provide proof of health insurance coverage
- Complete a Zintellect application and acquire one recommendation from a STEM teacher, principal, or curriculum coordinator for home school students. Recommendations must be submitted through the Zintellect

application system.

The application will require:

- Profile information
- Educational details (i.e. dates of attendance/graduation, GPAs, majors, etc.)
- Goals
- Experience and Skills
- A brief resume (.pdf upload) ***Please email ORNLedu@ornl.gov for a resume template, if needed***
- Academic records - for this opportunity, an unofficial transcript or copy of academic records may be submitted showing name, school name, current/enrolled classes, and GPA (.pdf upload)
- Contact information for recommenders, including current email addresses. Recommendation letters should address the applicant's academic record and potential for success in a STEM internship, as demonstrated by intellectual merit, technical and teamwork skills, and communication. **Applicants who are currently enrolled students must provide one letter from a current STEM teacher, principal, or curriculum coordinator for home school students. Recent graduates must provide one letter from a former STEM teacher, principal, or curriculum coordinator for home school students. Recommenders cannot be family members.**

Electronic applications, including submitted recommendations, must be received through the [Zintellect](#) application system. Incomplete applications will not be considered. Applications that do not include recommendations from a STEM teacher, principal, or curriculum coordinator for home school students will not be considered for selection.

- Eligibility Requirements**
