

Opportunity Title: FDA NCTR Summer 2024 Student Research Participation Program

Opportunity Reference Code: FDA-NCTR-2024-01

Organization U.S. Food and Drug Administration (FDA)

Reference Code FDA-NCTR-2024-01

How to Apply *Connect with ORISE...on the GO!* Download the new ORISE GO mobile app in the Apple App Store or Google Play Store to help you stay engaged, connected, and informed during your ORISE experience and beyond!

A complete application consists of:

- An application
- Transcripts – [Click here for detailed information about acceptable transcripts](#)
- A current resume/CV, including academic history, employment history, relevant experiences, and publication list
- One educational or professional recommendation. Your application will be considered incomplete, and will not be reviewed until one recommendation is submitted.

All documents must be in English or include an official English translation.

If you have questions, send an email to ORISE_FDA.NCTR@orau.org. Please include the reference code for this opportunity in your email.

Application Deadline 2/14/2024 11:59:00 PM Eastern Time Zone

Description Summer research opportunities are available at the National Center for Toxicological Research (NCTR), U.S. Food and Drug Administration (FDA) in Jefferson, Arkansas. Selected individuals will train alongside NCTR investigators who conduct FDA mission-critical, translational research that provides a scientifically sound basis for FDA regulatory decisions, and that reduces risks associated with FDA-regulated products.

This program, administered by ORAU through its contract with the U.S. Department of Energy to manage the Oak Ridge Institute for Science and Education, was established through an interagency agreement between DOE and FDA. The appointment period is full-time for up to 10 weeks beginning May 28th, 2024. The participant will receive a monthly stipend commensurate with educational level and experience. Proof of health insurance is required for participation in this program. Participants do not become employees of FDA, DOE or the program administrator, and there are no employment-related benefits.

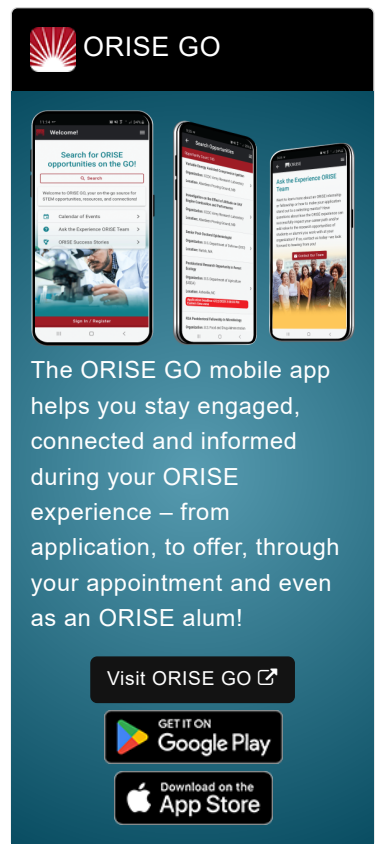

Application deadline is February 14, 2024 11:59 p.m. Recommendation deadline is February 21, 2024 11:59 p.m.

For additional information about this opportunity, NCTR or FDA, please visit www.FDA.gov.

FDA Ethics Requirements

If an ORISE Fellow, to include their spouse and minor children, reports what is identified as a Significantly Regulated Organization (SRO) or prohibited investment fund financial interest in any amount, or a relationship with an SRO, except for spousal employment with an SRO, and the individual will not voluntarily divest the financial interest or terminate the relationship, then the individual is not placed at FDA. For additional requirements, see FDA Ethics for Nonemployee Scientists.

FDA requires ORISE participants to read and sign their FDA Education and Training Agreement
