

**Opportunity Title:** ORNL Next Generation STEM Internship Program (NGSI) -

Spring 2025

**Opportunity Reference Code:** ORNL-NGSI-Spring-2025

**Organization** Oak Ridge National Laboratory (ORNL)

**Reference Code** ORNL-NGSI-Spring-2025

**Application Deadline** 10/23/2024 11:59:00 PM Eastern Time Zone

**Description** The Next Generation STEM Internship Program (NGSI) affords juniors, seniors, and recent graduates from accredited high schools or home school programs in Anderson, Blount, Knox, Loudon, Roane, and Sevier counties the opportunity to participate in STEM or STEM-related projects with research and professional staff at Oak Ridge National Laboratory (ORNL).

### Diversity is Key

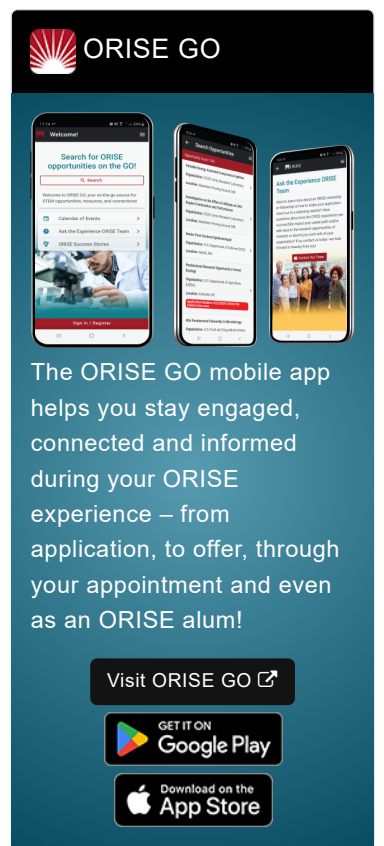

Scientific discovery is a team effort. Researchers, engineers, and technical and business professionals support achievements in science and technology by helping to manage and operate research projects and facilities. We believe the teams required to solve the nation's most pressing scientific challenges are those that combine a wide range of backgrounds and perspectives.

### Next Generation STEM Internship (NGSI) Program Details

- Appointments are for 16-18 weeks during the Spring.
- Students are expected to participate part-time each week. A maximum of five days (without stipend) may be missed during the appointment period **after the first week of your appointment is completed**, if necessary, for other commitments.
- Appointments will start on January 21, 2025, and end on May 9, 2025. Appointments may be extended depending on funding availability, project assignment, program rules, and availability of the participant.
- Appointments will be conducted virtually.
- \$125 per week stipend based on part-time participation each week.
- The opportunity to learn from world-renowned scientists and engineers.
- Optional professional development activities, including workshops, lab tours, lectures, poster sessions, seminars, and networking opportunities.

**Qualifications** To be eligible, an applicant must meet the following criteria:

- Be a U.S. citizen or legal permanent resident (LPR) at the time of application
- Be a high school junior or senior for the 2024-2025 academic year (expected graduation in 2025 or 2026) OR
  - Have graduated high school during the 2022-2023 or 2023-2024 academic calendar and not yet enrolled in a degree-seeking program at a regionally accredited college or university (including accredited community colleges) at the time of application
- Be in good standing at an accredited high school or enrolled in an accredited home school program in Anderson, Blount, Knox, Loudon, Roane, or Sevier county in Tennessee
- Be at least 16 years of age by the time of appointment
- Have a minimum GPA of 3.0/4.0

**Opportunity Title:** ORNL Next Generation STEM Internship Program (NGSI) -

Spring 2025

**Opportunity Reference Code:** ORNL-NGSI-Spring-2025

- Provide proof of health insurance coverage
- Complete a Zintellect application, including one recommendation from a STEM teacher or principal, or curriculum coordinator for home school students. Recommendations must be submitted through the Zintellect application system.

The application will require:

- Profile information
- Educational details (i.e. dates of attendance/graduation, GPAs, majors, etc.)
- Goals
- Experience and Skills
- A brief resume (.pdf upload) **\*Please email ORNLedu@ornl.gov for a resume template, if needed\***
- Academic records - For this opportunity, an unofficial transcript or copy of academic records may be submitted showing name, school name, current/enrolled classes, and GPA (.pdf upload)
- One Recommendation - The application will be considered incomplete and will not be eligible for review and consideration until one recommendation is received. Applicants will provide contact information for recommenders, including current email addresses. Applicants are encouraged to request multiple recommendations and begin contacting recommenders immediately upon submitting an application. Recommendation letters will be uploaded in Zintellect and should address the applicant's academic record and potential for success in a STEM internship, as indicated by intellectual merit, research/technical, communication, and teamwork skills. Recommenders cannot be a family member. The first recommendation received via Zintellect will meet the program requirement. ***Applicants who are currently enrolled students must provide one letter from a current STEM teacher or principal, or curriculum coordinator for home school students. Recent graduates must provide one letter from a former STEM teacher or principal, or curriculum coordinator for home school students. Recommenders cannot be family members.***

Electronic applications, including submitted recommendations, must be received through the [Zintellect](#) application system. Incomplete applications will not be considered. Applications that do not include recommendations from a STEM teacher or principal, or curriculum coordinator for home school students will not be considered for selection.

**Eligibility  
Requirements**

- **Citizenship:** LPR or U.S. Citizen
- **Degree:** High School Diploma/GED received within the last 24 months or currently pursuing.
- **Overall GPA:** 3.00
- **Discipline(s):**
  - **Business** ([11](#) )
  - **Chemistry and Materials Sciences** ([12](#) )
  - **Communications and Graphics Design** ([6](#) )
