Description The U.S. Army Garrison-Italy is offering a student internship in Vicenza, Italy.

What will I be doing?

As an ORISE participant, you will join a community of scientists and researchers in an effort to improve information technology support to the Garrison Information Management Office.

Why should I apply?

Under the guidance of a mentor, you will engage in a variety of research activities, including:

- Learning about Information Assurance (IA), Customer Support, and System Administrator (SA) personnel
- Collecting, compiling, analyzing, and reporting program outcomes
- Learning about IT resources
- Learning the Incident Resolution process (incident reporting to resolution), as well as LifeCycle Replacement process
- Developing skills in report writing and presentation
- Engaging in IT working groups to provide updates and visibility to USAG S6P

Where will I be located? Vicenza, Italy

What is the anticipated start date?

Exact start dates will be determined at the time of selection and in coordination with the selected candidate. Applications are reviewed on an ongoing basis and internships or fellowships will be filled as qualified candidates are identified.

What is the appointment length?

This appointment is a twelve-month research appointment, with the possibility to be renewed for additional research periods. Appointments may be extended depending on funding availability, project assignment, program rules, and availability of the participant.

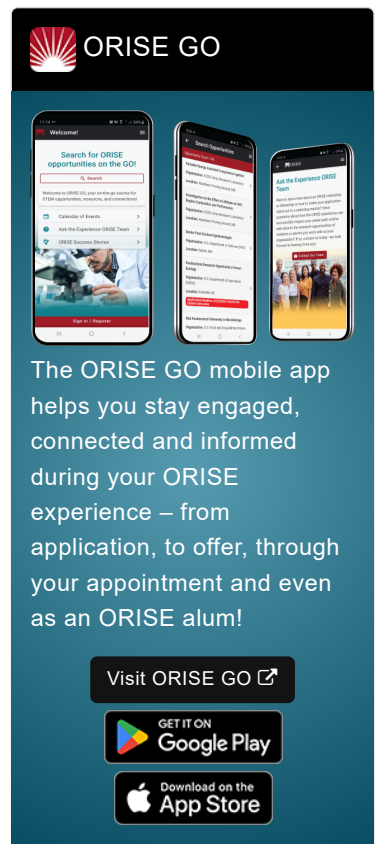

What are the appointment provisions?

You will receive a stipend to be determined by USAG-Italy. Stipends are typically based on a participant's academic standing, discipline, experience, and research facility location. Other provisions may include the following:

- Participants are eligible to purchase health insurance through ORISE
- Relocation Allowance
- Training and Travel Allowance
