Application Deadline 4/30/2025 11:59:00 PM Eastern Time Zone

Description The [U.S. Department of Energy \(DOE\) Office of Environmental Management \(EM\)](#) is seeking Scholars to engage in projects and activities related to EM's mission. EM's first priority is to ensure the safety and health of the public and EM's workforce while continuing to protect the environment. EM carries out the mission using sound business practices, innovative management approaches, and science and technology to reduce risks and costs within the EM regulatory framework.

The Scholar will receive training, mentoring, and additional support to effectively accomplish appointment goals. Appointments may involve projects focused on engineering, science, research, technology, policy, business, and government relations.

Stipends

The DOE Scholars Program provides stipends starting at \$700 per week for undergraduate students and \$750 per week for graduate students and recent graduates.

Travel

Travel reimbursement of inbound and outbound costs up to \$1,000 for participants who live more than fifty miles, one-way, from the assigned hosting site.

Length of Appointment

Appointments may vary in length depending on the project assignment.

Location

Scholars may be assigned to EM's offices in Washington, DC, or Field Offices and Business Centers across the US. Appointments may be served on site or virtually depending on facilities access policies.
