

**Opportunity Title:** Clean Energy Policy Opportunity with U.S. Department of Energy

**Opportunity Reference Code:** DOE-EERE-STP-SP-2019-2200

**Organization** U.S. Department of Energy (DOE)

**Reference Code** DOE-EERE-STP-SP-2019-2200

**Description** Oak Ridge Institute for Science and Education is currently accepting applications for the U.S. Department of Energy (DOE), Energy Efficiency and Renewable Energy (EERE) Science, Technology and Policy (STP) Program.

*This internship is with the U.S. Clean Energy Education and Empowerment (C3E) Initiative.*

**What will I be doing?** As an intern embedded within the C3E initiative, you will get to develop educationally and professionally while participating in policy-related projects at DOE's EERE office in Washington, D.C. The goal of the C3E effort is to close the gender gap and increase participation, leadership and success of women in clean energy fields. You will collaborate with DOE Senior Program Advisors and engage closely with your mentor to move this initiative forward. You will also learn how to plan, manage and execute initiative activities, including organizing meetings and collaborations within the agency and with partnering organizations, solicitation of new ideas for how to grow the C3E, as well as new strategic directions and activities.

**Why should I apply?** You will enhance your education and training in clean energy partnerships and multi-agency collaboration, increase your marketability in these disciplines, collaborate with top scientists and engineers in energy efficiency and clean energy, and gain insight into career opportunities through your experiences and under the leadership of your mentor.

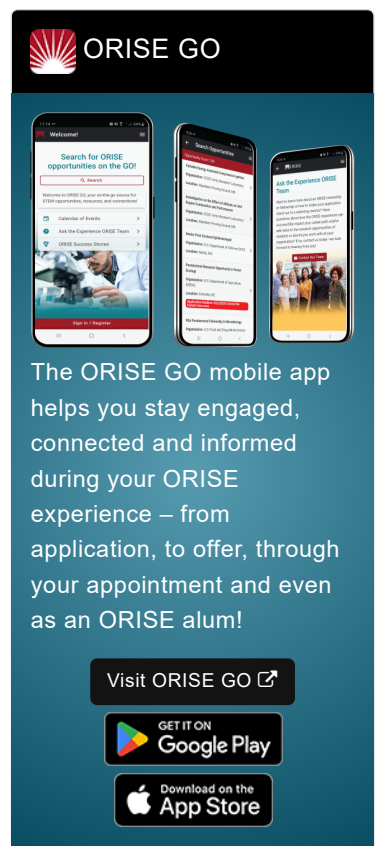

**Where will I be located?** Washington, DC

### Participant Benefits

Selected participants will receive a stipend as support for their living and other expenses during this appointment. Stipend rates are determined by EERE officials and are based on your academic and professional background. Relocation expenses, not to exceed \$5,000, incurred in relocating from your current address to Washington, D.C. (if more than 50 miles from the address shown on the application), may be reimbursed. You will receive a travel allowance of \$10,000 per appointment year to cover travel-related expenses to scientific and professional development activities.

This opportunity is available to U.S. citizens and Lawful Permanent Residents. (LPR).

**Opportunity Title:** Clean Energy Policy Opportunity with U.S. Department of Energy

**Opportunity Reference Code:** DOE-EERE-STP-SP-2019-2200

### **Nature of Appointment**

The participant will not enter into an employee/employer relationship with ORISE, ORAU, DOE, or any other office or agency. Instead, the participant will be affiliated with ORISE for the administration of the appointment through the ORISE letter of appointment and Terms of Appointment.

**Qualifications** Program eligibility requirements can be found at: visit <https://www.energy.gov/eere/education/energy-efficiency-and-renewable-energy-science-technology-and-policy-program>.

Experience in energy efficiency and/or clean energy fields is preferable.

### **Preferred knowledge and skills:**

- A Bachelor's degree in a related field of study;
- Experience in/study of sustainability, energy efficiency, clean energy or related fields;
- Some experience with task level, project and budget management;
- A creative, problem solving mindset with strong critical thinking and organizational skills;
- Excellent interpersonal and team work skills;
- Proficiency in Microsoft Office (Word, Excel, PowerPoint, Outlook) to effectively review and generate reports, graphs, and presentations;
- Strong written and verbal communication skills, with a history of developing strong relationships with partners, clients and among a team ;
- Webpage design and organization
- Good writing skills, with the propensity to produce clear and effective documents, charts, graphs, presentations and reports.

### **A complete application consists of:**

- An application
- Transcript(s) - For this opportunity, an unofficial transcript or copy of the student academic records printed by the applicant or by academic advisors from internal institution systems may be submitted. Selected candidate may be required to provide proof of completion of the degree before the appointment can start.
- A current resume/curriculum vitae (CV)
- 2 Letters of Recommendations

### **The resume/CV must include the following:**

- Basic applicant Information: Name, address, phone, email, and other contact information.
- Work & Research Experience: List all work and research experiences beginning with current or most recent. Include the name of the employer, location, position held, and time period involved.
- Leadership Experience: List experiences (e.g., work, civic, volunteer, research) that demonstrate your leadership skills. Detail your role, type of experience, organization, location, and duration.
- Educational History: List all institutions from which you received or expect to receive a degree, beginning with current or most recent
