

Opportunity Title: 2021 Building Technologies Internship Program (BTIP) - ORNL and NREL

Opportunity Reference Code: DOE-ORNL-NREL-BTIP-20-21

Organization U.S. Department of Energy (DOE)

Reference Code DOE-ORNL-NREL-BTIP-20-21

How to Apply NOTE: this opportunity is for [JUMP into STEM](#) participants only. All students enrolled in a U.S. college or university are welcome to participate in JUMP into STEM. Please see the JUMP into STEM [website](#) for details.

The internship application will require:

- Profile Information
- Educational details (i.e. dates of attendance/graduation, GPAs, majors, etc.)
- Awards and honors
- Internships or previous experience
- Essay questions on relevant goals, interests, experiences, or skills
- An updated resume (pdf)
- Contact information for recommender, including current email address
- Academic records - For this opportunity, an unofficial transcript or copy of academic records may be submitted showing name, school name, current/enrolled classes, and GPA (pdf)

All application components must be completed and received in the system in order to be considered. **Applicant must also complete idea submission at [JUMP into STEM](#) to be considered for the opportunity.** Selections will be made by a screening committee based on challenge competition and eligibility for the appointments at ORNL and NREL.

For questions, contact Margaret.Scheiner@orau.org.

Application Deadline 12/26/2020 2:59:59 AM Eastern Time Zone

Description In conjunction with the Department of Energy Building Technology Office, [JUMP into STEM](#) engages students and professors from science, technology, engineering, and math backgrounds, as well as from architecture, computer science economics, and the social sciences. The JUMP into STEM Challenges can be presented by professors as a modular component through coursework or pursued by students as an extracurricular development opportunity.

This application is for students participating in the JUMP into STEM competition to win a 10-week paid internship at Oak Ridge National Laboratory (ORNL) or the National Renewable Energy Laboratory (NREL). Only select students with the top winning concepts will be offered internships. Awardees will be assigned their internship location.

The JUMP into STEM competition has seen two successful iterations: August 2018 through April 2019 (see news story online at <https://www.energy.gov/eere/buildings/articles/doe-s-national-labs-select-student-winners-jump-stem-summer-internship>) and August 2019 through January 2020 (<https://www.energy.gov/eere/buildings/articles/us-department-energy-s-building-technologies-office-announces-jump-stem>). The upcoming cycle will determine competition winners in early 2021 for
