Application Deadline	8/11/2020 3:00:00 PM Eastern Time Zone
Description	***Applications will be reviewed on a rolling-basis.***

A research opportunity is currently available with the Division of Reproductive Health (DRH) within the National Center for Chronic Disease Prevention and Health Promotion (NCCDPHP) at the Centers for Disease Control and Prevention (CDC) in Atlanta, Georgia.
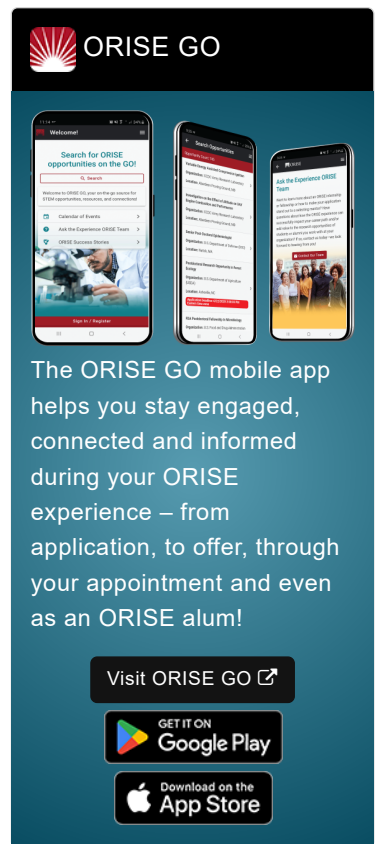

The selected participant will train with the Multi-State Network of Linked Pregnancy Risk Assessment Monitoring System Data project. Under the guidance of a mentor, the participant will train while developing professional skills in the following: project coordination, public health, epidemiology, complex survey design and analysis, data linkage, multiple data systems in maternal and child health, and attending webinars and seminars, and conferences.

The learning objectives for this appointment include:

- The participant will develop meeting and project coordination skills.
- The participate will develop knowledge in epidemiology, public health surveillance data, survey data, and administrative data systems.
- The participate will learn methods for data linkage and data analysis.
- The participate will do literature review on maternal and child health topics.

Anticipated Appointment Start Date: August 2020

This program, administered by ORAU through its contract with the U.S. Department of Energy to manage the Oak Ridge Institute for Science and Education, was established through an interagency agreement between DOE and CDC. The initial appointment can be up to one year, but may be renewed upon recommendation of CDC contingent on the availability of funds. The participant will receive a monthly stipend commensurate with educational level and experience. Proof of health insurance is required for participation in this program. The appointment is full-time at CDC in the Atlanta, Georgia, area. Participants do not become employees of CDC, DOE or the program administrator, and there are no employment-related benefits.

Opportunity Title: CDC Pregnancy Risk Assessment Fellowship
Opportunity Reference Code: CDC-NCCDPHP-2020-0159
