How to Apply Please visit our website www.energy.gov/fe/mlef for detailed information on how to apply for the MLEF program.

Application Tips:

[Application tips](#) can be found on the MLEF website.

To increase your chances of being selected for the MLEF program, we recommend:

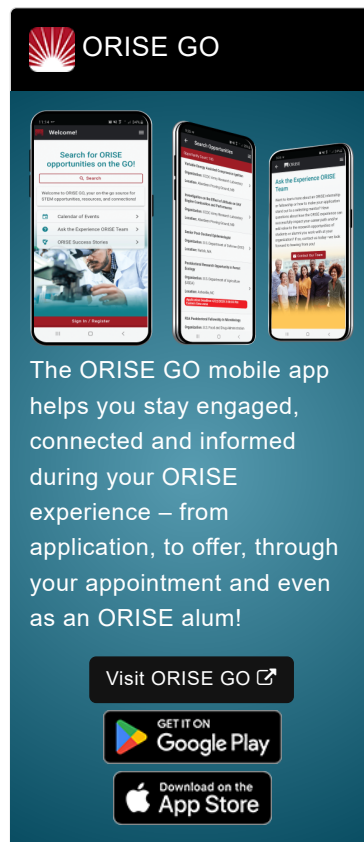

1. Reading the eligibility criteria carefully to make sure you can be considered for this program.
2. Spending the necessary time on your essay responses and your resume.
 - o Answer each question.
 - o Effective and efficient writing is valued over quantity of writing.
3. Ensuring that everything you submit is grammatically correct, clearly expressed and neatly organized.
 - o Write a draft, edit it repeatedly, and ask someone whose judgement you trust to read it and make suggestions for improvement.
 - o Use a word processor to draft your answers and then copy and paste to the application.
4. Asking questions! Contact us at mlef@hq.doe.gov if something isn't clear.
5. SUBMITTING THE APPLICATION! We can't select you if you don't submit an application. You will receive an e-mail once the application is submitted.

Description The Mickey Leland Energy Fellowship (MLEF) Program provides students with educational opportunities to gain real-world, hands-on research experience with the Department of Energy's (DOE) Office of Fossil Energy. The MLEF program was created in 1995 with the goal of improving opportunities for under-represented and minority students in science, technology, engineering, and mathematics (STEM) fields. All eligible candidates are encouraged to apply.

The mission of the MLEF program is to strengthen a diverse pipeline of future STEM professionals, and this program has mentored several hundred of the best and brightest students from across the nation for future careers in STEM.

As a MLEF participant, you will train under the mentorship of scientists and engineers while working on mission-focused research projects. During the 10-week appointment, you will receive a weekly stipend, and may be eligible for housing and travel allowances. You will also gain insight into
